EASY TO USE

Step 1

Open the product and fill it with water, essential oils, rose petals, or your preferred ingredients.

Step 2

Place the filled product in the refrigerator and freeze for 4 to 8 hours.

Step 3

Before use, take the product out of the refrigerator and rinse it under running water for several seconds.

Step 4

Apply the ice to your face in circular motions for 3 minutes, ensuring to hold it on the skin for 30-second intervals for optimal results.
