How to Apply False Eyelashes

1.Clamp the false eyelashes andbrush the root of the eyelashes with glue.

2.Glue at the root of eyelashes and adjust.

3.Eyes slightly open to the eyelashes slightly adjust, make it natural curl.

4.Small adjustments to make it natural, easy to create perfect big eyes.

Product display

Followed by a moon ritual,
time and intention
Bring your moon
journals for your own
intention entries. Then outside
under the fullness of the moon
we create ritual.
